Pastoral Notes

To Bring Good News

As soon as one gets to open the newspaper, turn on the radio, or check the news online or on TV, it seems as if the words of Jesus are not being fulfilled.

Our Lord indeed was anointed, as a king was usually anointed. His anointing was not to govern as a regular king, in the political sense. The mission statement of our Lord is not on the political sphere, but on the spiritual, that which transcends this world. Therefore, it is important to keep our eyes fixed on what the Lord promises to us. His agenda is not of this world, but from the world to come.

We are being hit by illness, physical, spiritual and emotional. We have fears, shortages, wars, conflicts. But that is the agenda of this world. The agenda of the Lord is completely different. Despite the challenges, He proclaims good news to the poor, the outcast, the lonely; release to the captives, either in the corporal or spiritual sense; He proclaims sight to the blind, restoration of the infirm, freedom to the oppressed, and above all the year of the Lord's favour.

During these times, we have to embrace the Lord and take His word into our hearts. It is not a way of denying the current circumstances, but it is a way to find hope in the midst of trials.

Therefore, do your part as part of the Body of Christ. We have a mission ahead of us, therefore, exercise the gifts given to you. Embrace the Lord and embrace His word, so that you may bring the good news of hope, faith, and the promise of Christ to the world.

Healing Corner

Lord, I love You and desire that all You have spoken would penetrate my heart and draw me into all truth. Help me to accept You not only as a little child born in Bethlehem but also as the great Prophet of Truth. May I never be offended by the words You speak, and may I always be open to Your prophetic role in my life. Jesus, I trust in You. Amen

World Day for Consecrated Life February 2

This year it is observed in parishes on the Sunday of Feb. 5-6, 2021. The purpose of the day is "to help the entire Church to esteem ever more greatly the witness of those persons who have chosen to follow Christ by means of the practice of the evangelical counsels" as well as "to be a suitable occasion for consecrated persons to renew their commitment and rekindle the fervor which should inspire their offering of themselves to the Lord" (St. John Paul II, 1997).

Please pray for all those who have made commitments in the consecrated life and be sure to thank them on their special day. May they continue to be inspired by Jesus Christ and respond generously to God's gift of their vocation.

Coldest Night of the Year - Feb 26

Many of Feed the Hungry's guests come to our Sunday's dinner site after walking through harsh weather conditions. By participating in Coldest Night of the Year, we invite you to not only help us raise funds to operate our program, but also to experience a small taste of what it means to experience homelessness during Calgary's often brutally cold winter nights. Let's team up, walk and fundraise! It's cold out there... but there's no place like home. <https://cnoy.org/location/calgarydowntown>
