Pastoral Notes

“Put out into the Deep”

St. Anthony's is a community with such potential, that we can do great things. As I get more and more immersed in the history of this parish, I realize that my first statement is quite accurate.

Throughout the existence of the parish, the members of St. Anthony's paid heed to the words of Our Lord “Put out into the deep... and wait for a catch”

There will be times when we feel like the Apostles, who after an unsuccessful night of fishing, are most likely downtrodden, disappointed at their lack of fish and were not all that ready to fish some more. And yet, our Lord Jesus directs Simon to do put out into the deep and so he does it. The outcome of following our Lord's direction is that they caught more fish than they thought they could handle.

To put out into the deep water is more than just the action to fish. Indeed, a miracle happened, the great catch of fish, but deep down, the word “deep” has a profound connotation for us.

Our Lord invites us to take more seriously our mission of evangelizing souls and accomplishing the mission of God. The symbolism of putting out into the deep water gives us the hint that there is something needed from us, that we must be all in and be more committed when it comes to evangelizing and spreading the Word of God.

Individually, we will accomplish our objectives in evangelizing, but as a parish, we can accomplish even more.

We have done our fair bit of evangelization in our parish, and as of late, reaching out to help the most needed of our community. And yet, the Lord still needs us to put more and more into the deep, so that all those who need our Lord may enjoy his benefits.

As a community, let us embrace that call from our Lord, let us join forces to reach out, catch more souls for Christ. Not because it will benefit us, but because we wish to share the bountiful catch we have received from the Lord.

FRANCISCAN MISSIONARIES OF MARY CALGARY

WHO ARE WE? WELCOME ABOARD WITH US FMM

SISTER MARIA RITA (INDIA),
SISTER THERESE (CONGO),
SISTER CARMELITA (PHILIPPINES),
SISTER ANNE (Benin)

In a world where the religious life is still a mystery, we FMM hope to provide you a very real glimpse into our daily life. **To begin with, we are four FMM Sisters or Franciscan Missionaries of Mary who reside in this parish.** For us, being an FMM is a gift of God. This gift invites us to participate in the offering of Christ... "to love in KINDNESS and LOVE with all peoples, of all walks of life and ages of life, at the service of the poor and marginalized, to the youth, to families... to bring justice as artisans of peace."

There are over 200 congregations of Sisters in Calgary who also minister to the needs of our people in their respective parishes. Our Congregation had its roots in OOTY, INDIA, established by our Mother Foundress Mary de la Passions, January 7, 1877. Vibrant, determined, a woman of vision, she began this journey of missioning God's love with just a very few number of sisters. She instructed them on the blessings as well as the demands and challenges of this call to follow Christ in his life of giving, serving and total self-denial.

As FMM we are sisters of diverse culture and nationality.

We embrace a life of total giving as we pronounce **VOWS** of **POVERTY**, of **OBEDIENCE** and **CHASTITY** for the sake of the Kingdom. We live vowed life as:

FRANCISCANS - a life of **SIMPLICITY** and **POVERTY**;

MISSIONARIES - ready to serve in our capacity to whatever life of service we are called; and

MARIAN - following Mary's footsteps, her simplicity, honesty, love and service.

We draw our strength from **JESUS - the EUCHARIST - the real MISSIONARY**. For that, we make our daily adoration before Him exposed, imploring his mercy, protection and guidance in our missionary life. He is the reason for everything we do.

Our calling invites us to be available in many diverse, interesting, and challenging ways. As we journey with families who need accompaniment in prayer, with our Associates, with those who live alone, with the sick, with those who need direction by phone as well as enlightenment seeking direction in in their life – we feel the need to be open to these leadings and invitations inspired by the Holy Spirit. We are humbled and grateful for their trust and simplicity - for when these Jesus calls – like Mary, we hasten to respond – it's a call of grace and manifold blessings that money can't buy...it's a call of love.

Sr. Maria Rita just celebrated her 50th year of religious life on December 14, 2021. She has this to say:

Mk 2:14 Jesus said "Follow Me". One fine day I heard Jesus say to me "Follow me". I left my job and in obedience and faith I took a leap in the dark not knowing where it would lead me. Life was not easy with all its challenges insecurities and doubts and giving up the things I loved for the one who laid down His life for me and chose me to be with Him totally and walk with Him serving His people, I found meaning and fulfillment in my life as He never left me alone. As I complete 50 years in Religious Life, I am grateful and glorify Him for the marvels He has done in my life and through me to others. He used my strengths and weaknesses to serve His kingdom. Just as I found meaning and joy in my religious life, I hope and pray that many young people may hear the voice of Jesus and find meaning and fulfillment in their life serving Him in His people. Praise the Lord at all times!
