## Pastoral Notes

### Follow me

This Sunday is significant for St. Anthony's Parish. Yes, all Sundays are significant, however, not on every Sunday do we witness that those who were once reborn to the life of heaven, continue their journey by receiving the Body, Blood, Soul and Divinity of our Lord Jesus Christ for the first time!

As these children, these disciples of Christ, continue their journey, we as a community have the duty to continue praying for them all, and for all who are making an effort to strive in the ways of faith. These children, with the help of their parents, who play a major role in their life of discipleship by their guidance and example of faith, are making a commitment to the Lord, by receiving the life He promised to all those who eat His flesh and drink His blood, "Those who eat my flesh and drink my blood have eternal life, and I will raise them up on the last day" (Jn 6:57). The first communicants are receiving our Lord for the first time, thus paying heed to His compelling words: "Follow me".

This is one more chapter in the life of faith for these children. As it is for the children receiving First Holy Communion, it should be for our entire community. Dare to follow the Lord; be brave to walk on the steps He has walked. His path is not for the fainthearted, nevertheless, He walks with us every step of the way, and He has left us the Food by which we are strengthened throughout the journey.

We must obey God, therefore, let us follow Him, for it is in Him alone that we find life, and life in abundance.

### Healing Corner

Lord, I desire to follow you in the way to which You call me. Help me to say "Yes" to you in all things. Jesus, I trust in You.

# THANK YOU, VOLUNTEERS!

For we are what he has made us, created in Christ Jesus for good works, which God prepared beforehand to be our way of life.

EPHESIANS 2:10

We are incredibly grateful to God for you and your loving service to the Church and the community. Thank you for answering God's call to love and serve Christ in one another.

## National Volunteer Week

Every parish has a reach far beyond what is visible at weekend Masses. On Sunday, when the parking lot and pews are full, it's easy to see how impactful our churches are. The presence of worshipers proves the importance of faith sharing among believers.

However, when Monday comes and the crowds are gone, the 'hidden' work of a parish continues. Sacraments are taken to shut-ins, maintenance and grounds-keeping are done, the poor are fed, refugees are sheltered, music is rehearsed, liturgies are prepared, small group fellowship thrives in a dozen different ways. All this, and much more besides, is largely achieved by volunteers.

We are incredibly grateful to God for you and your loving service to the Church and the community. God bless you for your generosity, and thank you for being a blessing to others.
