Pastoral Notes

The Healing Power of Forgiveness

Jesus offered many tough and challenging teachings to his disciples and his command to forgive without limit was among them. We know that forgiving and being forgiven is fundamental to the Christian identity, but we might be reluctant at times to forgive when it really costs us!

It is in these moments that we need to trust Our Lord that to forgive when we are reluctant to do so will bring a healing grace into our lives. How exactly that healing may take place is at times mysterious, but hopefully we have had enough experiences of forgiving when we were hesitant to do so and knowing a profound peace and healing in mind and spirit when we uttered those powerful yet difficult words "I forgive you."

We often say that with God all things are possible. May we believe that the ability to forgive always is also possible in each of our lives through the power of God's grace.

"If we live, we live to the Lord, and if we die, we die to the Lord; so then, whether we live or whether we die, we are the Lord's." Consider service as a priest, deacon, brother or sister. If God is calling you check out:

Let us pray for our Holy Father Francis.

Lord Jesus, preserve him and give him life, and make him blessed upon the earth, and deliver him not up to the will of his enemies.

Lord Jesus, shelter our Holy Father the Pope under the protection of Your Sacred Heart. Be his light, his strength and his consolation.

Lord, source of eternal life and truth, give to Your shepherd, the Pope, a spirit of courage and right judgement, a spirit of knowledge and love. By governing with fidelity those entrusted to his care may he, as successor to the apostle Peter and vicar of Christ, build Your church into a sacrament of unity, love, and peace for all the world.

Through our Lord Jesus Christ, Your Son, Who lives and reigns with You and in the unity of the Holy Spirit, God, forever and ever. Amen
