Pastoral Notes

Loving God and Neighbour at St. Anthony's

There are manifold ways that love of God and neighbour resonates in our parish, but I would like to express my thanks for the love that has been shown over the past weeks of construction at St. Anthony's.

Firstly, thank you for the love that has been shown in the prayers so many have offered for the success of the construction projects. Thank you for praying for the safety of the workers onsite, for many weeks of favourable weather (not even the snow has stopped the construction!) and for the words of support for the important work that is being undertaken to assure the ongoing sustainability and safety of our parish church.

Secondly, thank you for the love that been shown in the donations that have been made for the construction projects. To date, nearly \$50,000 dollars has been raised in under two months. Thank you to everyone who donated and for whatever sacrifices this may have entailed in doing so. Thank you also to those who are still considering a donation before the year's end. Thank you to those who have made suggestions for different fundraisings ideas. May I humbly ask that those who are feeling called to help lead and plan fundraising initiatives do not hesitate to speak with me and know that in leading these initiatives you are showing a great love of neighbour to those in our parish family.

Finally, thank you for the love that has been shown in the patience and understanding for all the interruptions to our parish life that has occurred during construction. Thank you for being patient with Mass cancelations, the inability to have regular social gatherings after Sunday Masses, having choir practices cancelled, enduring loud noise during times of prayer and all in all being unable to use our church building as we would like.

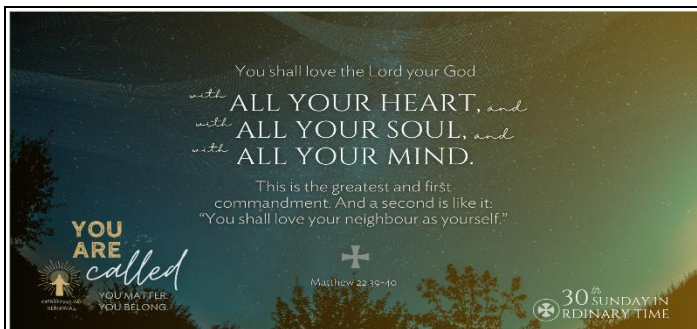

Dear brothers and sisters in Christ, Love of God and Neighbour has been very present in our parish the past number of weeks! May we not tire in striving to continue to manifest this love and recognize in it a visible way that we are fulfilling the commandment Christ left so many years ago.

Actions speak louder than words; let your words teach and your actions speak.

~ Anthony of Padua
